| Planning for | | | | | | | |
| Interpersonal and | | | | | Interpersonal | | Study of communication between individuals. Topics include the developing self-concept, recognizing |
| Intrapersonal | | Division of | Communicat | | Communicatio | 1 | differences in perception, learning from emotion, finding meaning in verbal and non-verbal expressions, |
| Relationships | Ancilla College | Humanities | ions | COMM215 | ns | descriptions.htm | and resolving conflicts. |

| | | Division of | 1 | 1 | 1 | | |
|---------------------|---------------------|---------------------|-------------|----------|----------------|---|---|
| | | History, Behavioral | | | The Child in | | Explores the role of families in the educational development of young children. Factors in a culturally |
| | | Sciences, | | | Family, | | diverse society that affect family-child, family-community, and child-community interactions and skills |
| | | Education and | | | Culture and | http://www.ancilla.edu/academics/course- | are studied. The course includes strategies to enhance parent involvement. Prerequisite: ED 205; |
| Works with Families | Ancilla College | Business | Education | ED261 | Community | descriptions.htm | Prerequisite or concurrent: ED/PSY 256. Prerequisite(s) must have a grade of "C" or better. |
| | | Division of | | | | | |
| | | History, Behavioral | | | | | |
| | | Sciences, | | | | | An analysis of structure and processes of marriage and the family in contemporary society; examination |
| | | Education and | | | Marriage and | http://www.ancilla.edu/academics/course- | of the impact of social change; emphasis placed upon those mechanisms that enhance intimacy in |
| Works with Families | Ancilla College | Business | Sociology | SOC265 | the Family | descriptions.htm | marriage and the family. Prerequisite: SOC 140, with a grade of "C" or better. |
| Assures a Safe and | 0 | | | | Personal and | Ĩ | Health problems of individual, home, school, and community. Covers nutrition, child growth, personality |
| Healthy | | College of Science | | | Community | http://www.anderson.edu/registrar/catalog10 | development, home living, and the human body. Includes application of exercise to the maintenance of |
| Environment | Anderson University | and Humanities | Biology | BIOL2400 | Health | 12.pdf | individual and community health. |
| Assures a Safe and | | | | | | * | |
| Healthy | | College of Science | | | | http://www.anderson.edu/registrar/catalog10 | Students earn American Red Cross Responding to Emergencies certification upon successful completion |
| Environment | Anderson University | and Humanities | Kinesiology | PEHS1450 | First Aid | 12.pdf | (includes first aid, community CPR and AED). |
| Assures a Safe and | | | | | | * | Examines nutrition, nutritional choices, myths, and misconceptions about diet. Examines appropriate and |
| Healthy | | College of Science | | | Health | http://www.anderson.edu/registrar/catalog10 | inappropriate use of drugs and other chemical substances, including alcohol, tobacco, over-the-counter |
| Environment | Anderson University | and Humanities | Kinesiology | PEHS2100 | Concepts I | 12.pdf | and prescription drugs. |
| | | | | | | | Examines the prevalence and types of disease. Discusses prevention and treatment of common diseases. |
| Assures a Safe and | | | | | | | Examines stress, good and harmful. Discusses coping behaviors. Examines human sexuality, including |
| Healthy | | College of Science | | | Health | http://www.anderson.edu/registrar/catalog10 | gender identity and roles, behavioral choices and their consequences. Examines the healthy and natural |
| Environment | Anderson University | and Humanities | Kinesiology | PEHS3100 | Concepts II | 12.pdf | process of death/dying. Discusses sociological, emotional, and spiritual aspects of end-of-life issues. |
| Assures a Safe and | | | | | | | Prepares students to earn American Red Cross certification in first aid, CPR for the professional rescuer, |
| Healthy | | College of Science | | | Emergency | http://www.anderson.edu/registrar/catalog10 | and AED upon successful completion of the course. Splinting, spine boarding, and wound care are |
| Environment | Anderson University | and Humanities | Kinesiology | ATRG1460 | Response | 12.pdf | covered in the lab portion of the course |
| | | | | | | | Provides advanced study in special education mandates, procedures, and case law related to the provision |
| | | | | | | | of special education and related services to students with disabilities. Curricular decisions will be |
| | | | | | | | examined from historical, social, and education best practices perspectives. Included in the course are |
| Ethical and | | | | | Legal Issues | | procedural rights of the Americans with Disabilities Act (ADA), the Individuals with Disabilities |
| Responsible | | College of | | | in Special | http://www.anderson.edu/registrar/catalog10 | Education Act (IDEA), Section 504 of the Rehabilitation Act, Indiana's Article 7, and |
| Employee | Anderson University | Education | Education | SPED4200 | Education | 12.pdf | social/communication disorders in students with learning disabilities. |
| Ethical and | | | | | | | |
| Responsible | | College of | | | | http://www.anderson.edu/registrar/catalog10 | |
| Employee | Anderson University | Religious Studies | Philosophy | PHIL2120 | Ethics | 12.pdf | Classical and contemporary considerations of moral issues and nature and status of ethical theory. |
| | | | | | | | Strategies for meeting the special needs of the early adolescent student. Physical, emotional, intellectual |
| | | | | | | | changes prompt the teacher to use developmentally appropriate instruction in order to motivate students |
| | | | | | The Middle | | to achieve. Teaching methods such as real-life situations, cooperative learning, and hands-on experiences |
| | | College of | L | | School in the | http://www.anderson.edu/registrar/catalog10 | are emphasized. Included are historical patterns and philosophy of the middle school movement with the |
| Guidance Skills | Anderson University | Education | Education | EDUC3100 | United States | 12.pdf | primary focus on teaching this age group. Field experiences required. |
| | | | | | Classic | | This course will provide students with effective strategies for classroom management and organization |
| | | | | | Classroom | | designed to improve student learning in the inclusionary classroom. Functional behavior assessments |
| | | | | | Management | | (FBA) and behavior intervention plans (BIP) will be examined as a means of changing behavior |
| | | College of | | | of Exceptional | http://www.anderson.edu/registrar/catalog10 | according to the mandates of the Individuals with Disabilities Education Act (IDEA). Grade of C or |
| Guidance Skills | Anderson University | Education | Education | SPED4120 | Students | 12.pdf | better required. Admission to the teacher preparation program required. |

| | | | | 1 | | | This course equips students to lead small interpersonal skill training groups using the skills of working |
|-----------------|-----------------------|--------------------|-------------|-------------|----------------|---|--|
| | | | | | Leadership | | with a co-leader, team building, promoting a positive learning environment, agenda monitoring, and |
| | | College of Science | | | and Training | http://www.anderson.edu/registrar/catalog10 | remaining task focused. Students will learn to train others in the skills of communication, assertion, |
| Guidance Skills | Anderson University | and Humanities | Psychology | PSYC4100 | Skills | 12.pdf | helping, and negotiation. |
| | | |) | 1 | Management, | | Strategies for meeting the special needs of early adolescent/young adult students. Physical, emotional, |
| | | | | | Organization | | and intellectual changes prompt the teacher to use developmentally appropriate instruction in order to |
| | | | | | and Methods | | motivate students to achieve. Teaching methods such as real-life situations, cooperative learning, and |
| | | | | | in the | | hands-on experiences are emphasized. Primary focus on how to teach this age group. Also includes |
| Individual | | College of | | | Secondary | http://www.anderson.edu/registrar/catalog10 | historical patterns and philosophy of the middle school movement. Portfolio presentation required. |
| Differences | Anderson University | Education | Education | EDUC4710 | Classroom | 12.pdf | Required |
| | | | | | | | Provides an overview of definitions, characteristics, and educational needs of students with mild |
| | | | | | Introduction | | disabilities. Course includes language, behavioral, social, and academic deficits that interfere with the |
| Individual | | College of | | | to Mild | http://www.anderson.edu/registrar/catalog10 | academic achievement for students. Course also examines current models of educating students with |
| Differences | Anderson University | Education | Education | SPED2400 | Disabilities | 12.pdf | mild disabilities, including Response to Intervention and learning in a standards-based environment |
| Individual | | College of Science | Education | 51252100 | Distolities | http://www.anderson.edu/registrar/catalog10 | Examination of emotional problems resulting in social dysfunctioning of individual and family; includes |
| Differences | Anderson University | and Humanities | Sociology | SWOK3230 | Mental Health | 12.pdf | survey of mental health services. |
| Individual | i inderson chirerony | College of Science | Sectoregy | 5.110120200 | Developmenta | | Examination of physical and developmental disabilities. Exploration of barriers and discrimination. |
| Differences | Anderson University | and Humanities | Sociology | SWOK3240 | 1 Disabilities | 12.pdf | Survey of rehabilitation and social services. |
| Differences | 7 Inderson Chiversity | und Humanities | Sociology | 511010210 | Special | 12.put | |
| Individual | | | | | Education | | Explores educational assessment practices for students with mild disabilities. Course will familiarize |

| - | Cashan Callaga | Education | EDUC201 | | ts/ | |
| Cultures | Goshen College | Education | EDUC201 | of Education | 15/ | socio-economic status, family structures, language, and exceptionalities. (Cross-listed from Hist 335) A comparative studies in world history course. The world seems plagued |
| | | | | History of | | with increasing conflict between ethnic groups. Explores the historical roots of this problem through a |
| Respect for Diverse | | Peace and | | Ethnic | http://www.goshen.edu/academics/deportmon | comparative case-study approach and takes an inter disciplinary approach both to analysis of the problem |
| Cultures | Goshen College | Justice | | Conflict | ts/ | and its solution. Students will present an in-depth research paper on the historical roots of one conflict. |
| Cultures | Cosnell College | Justice | 110333 | Connict | 15/ | and its solution. Students will present an in-deput research paper on the instorical foots of one conflict. |

| | | | I | | 1 | | Designed for the first-year colloquium, this course explores and examines community, individual and |
|---------------------|----------------|--------------------|-------------|---------|---------------|--|---|
| | | | | | | | personal identity through: reading historical and contemporary texts on race, ethnicity and culture, and |
| | | | | | | | identity development; classroom experiences and assignments; and interaction with the local community. |
| | | | | | | | The content focuses on the US and its history as the context for exploring the most current |
| | | | | | Racial and | | understandings of how race, ethnicity, culture, language and privilege shape identity, explores current |
| Respect for Diverse | | | | | Cultural | http://www.goshen.edu/academics/departmen | understandings of individual identity in relation to larger social systems, and explores the interaction of |
| 1 | Goshen College | | Social Work | SOC100 | Identities | ts/ | individual identity development with larger cultural and social systems. |
| Cultures | Goshen Conege | | Social Work | 500100 | Identities | | Student is exposed to issues affecting the lives of an ethnically and religiously diverse urban populace - |
| | | | | | | | racism, sexism, classism - and helped to develop new ways of conceptualizing and interpreting the |
| | | | | | | | contemporary urban scene. Reading, research and writing are integrated with the student's first-hand |
| Respect for Diverse | | | | | Urban | http://www.goshen.edu/academics/departmen | involvement in issues under study. Available through the Chicago Center, Peace House in Indianapolis or |
| 1 | Goshen College | | Social Work | SOC302 | Diversity | ts/ | WCSC in Washington, D.C. |
| | | | | | | | A study of the dynamics of race and ethnic group interaction focusing on minority groups in the U.S. as |
| | | | | | Race, Class | | defined by race, language, culture, religion or national origin. Attention is given to social class, power |
| Respect for Diverse | | | | | and Ethnic | http://www.goshen.edu/academics/departmen | and majority-group dominance as factors in assimilation and culture-loss or collective self-determination |
| Cultures | Goshen College | | Social Work | SOC334 | Relations | ts/ | and maintenance of cultural pluralism. Prerequisite: Soc 200 or 230. |
| | 0 | | | | | | Designed to promote wellness in body, mind and spirit. Each participant will gain knowledge that |
| | | | | | | | informs decision-making related to mental and spiritual health. Students develop and begin implementing |
| | | | | | | | a personalized fitness program. Topics addressed include cardiovascular fitness, muscular endurance and |
| | | | Physical | | | http://www.goshen.edu/academics/departmen | strength, flexibility, body composition, nutrition, stress management, spiritual wellness and lifestyle |
| Self Development | Goshen College | | Education | PHED100 | Wellness I | ts/ | choices. |
| | | | | | | | Course combines institutional and functional approaches in the study of courtship, mate selection, |
| | | | | | Sociology of | http://www.goshen.edu/academics/departmen | marriage, family roles and relationships, family disorganization and social trends affecting the family in |
| Works with Families | Goshen College | | Social Work | SOC210 | the Family | ts/ | contemporary society and culture. |
| | | | | | Strategizing | | Strategies will be developed for establishing strong ministry teams and for ministering to junior and |
| | | | | | for Church | | senior high students, as well as to recent graduates. Students will examine the role in youth ministries of |
| | | | | | and Campus | | the Christian school, home schooling, and the public school. They will explore and analyze various |
| Appreciates | | | Biblical | | Youth | | |
| Children/Youth | Grace College | School of Ministry | Studies | YMI224 | Programming | 10_catalog.php | structures. Prerequisite: YMI214. Three hours |
| | | | | | | | Students will explore ethical principles for making judgments and choices on moral issues. They will |
| Ethical and | | | | | | | study what various philosophers have said is good and right and leads to true happiness. They will |
| Responsible | | | Biblical | | | | J I I I IIJ U |
| Employee | Grace College | School of Ministry | Studies | PHI310 | Ethics | 10_catalog.php | biblical data to contemporary ethical issues, they will develop a Christian view of ethics. Three hours. |
| | | | | | Counseling | | This course will explore methods of communicating biblical and spiritual truth to the youth culture. |
| | | | | | and | | Counseling tools and techniques will be presented for working with families and crisis youth counseling |
| | | School of Arts and | | | | http://www.grace.edu/academics/registrar/09- | situations. Students will also be apprised of legal issues connected with counseling. (Home |
| Guidance Skills | Grace College | Sciences | Sciences | BHS324 | g with Youth | 10_catalog.php | department–YMI. Register as YMI324.) Prerequisite: YMI214. Three hours. |
| | | | | | | | An introduction to the major theories in counseling including secular and Christian approaches. The |
| | | | D-h 1 | | Tutus 1. di | | methodology of each approach will be analyzed based upon the respective theory of psychopathology. |
| 0.1.01.11 | | School of Arts and | | DOVALA | Introduction | | Special attention will be given to various skills, techniques, and applications of these approaches. |
| Guidance Skills | Grace College | Sciences | Sciences | PSY210 | to Counseling | 10_catalog.php | Prerequisite: PSY110 or SOC110. Three hours. |
| | | Coloral of Anta 1 | D-11 | | Process and | 1.44 | This course develops a theoretical base for evaluating human problems within a biblical framework. |
| C: 1 C1-:11- | Create Callera | School of Arts and | Behavioral | DOV244 | Techniques of | | 1 /1 1 1 |
| Guidance Skills | Grace College | Sciences | Sciences | PSY344 | Counseling | 10_catalog.php | counseling session and implement change. Prerequisite: PSY230 or PSY234/PSY210. Three hours. |

| | | | I | | | | Students will seek to identify various methods of communicating biolical and spiritual truth to a |
|--------------------|---------------|-------------------------|------------|--------|----------------------|--|---|
| | | | | | | | changing youth culture. They will be equipped with techniques for establishing effective communication |
| | | | | | | | with young people. Various styles of communication, including small group discussions, informal |
| | | | | | Counseling | | teaching times, and the use of technology and music, will be examined. In addition, students will |
| | | | | | and | | investigate counseling tools and techniques for working with families and youth in crisis counseling |
| | | | | | Communicatin | | situations. Students will consider how to relate to the changing roles of adolescents as they mature in a |
| | | | | | g with | | diverse society. Legal issues of counseling will be examined, and students will evaluate how to determine |
| | | | Biblical | | Contemporary | http://www.grace.edu/academics/registrar/09- | the advisability of deferring troubled youth to professional counselors. Prerequisite YMI214. Three |
| Guidance Skills | Grace College | School of Ministry | Studies | YMI324 | Youth | 10_catalog.php | hours. |
| | | | | | | | This course is designed to develop an understanding of children with disabilities, especially in an |
| Individual | | | | | Exceptional | http://www.grace.edu/academics/registrar/09- | educational setting. It provides an introduction to the field of special education, but it is also helpful to |
| Differences | Grace College | Teacher's College | Education | EDU244 | Learners | 10 catalog.php | the regular classroom teacher. Prerequisite: EDU110. Three hours. |
| | | | | | Teaching | | |
| | | | | | Students with | | |
| | | | | | Emotional | | |
| | | | | | Disorders and | | This course deals with issues of definition, incidence, and prevalence. Classification systems are |

| | | | | | Students with | | |
| Individual | | | | | Mild | http://www.groco.odu/oco.domics/rogistror/00 | An in-depth study of children's learning disabilities: identification, remediation, etiologies, development, |
| | Grace College | Teacher's College | Education | EDU347 | Disabilities | 10_catalog.php | assessment, and socio-legal educational implications. Prerequisite: EDU110. Three hours. |
| Differences | Glace College | Teacher's Conege | Education | ED0347 | Disabilities | | This course is an introduction to the science of brain-behavior relationships. Topics will include the |
| | | | | | | | structure and functions of the nervous system, including mechanisms of sensory processing and motor |
| | | | | | | | control, sleep, sexual behavior, emotion, mental disorders, language, and learning and memory. In |
| Knowledge of Child | | | | | | | addition, the course covers psychotropic medications, disorders, and symptomatology associated with |
| and Youth | | School of Arts and | Behavioral | | Brain and | http://www.grace.edu/academics/registrar/09- | |
| | Grace College | Sciences | Sciences | BHS400 | Behavior | 10_catalog.php | SOC100. Three hours. |
| Knowledge of Child | | | | | | <u> </u> | A psychological study covering the life span from early childhood to the adult stage with emphasis on the |
| and Youth | | School of Arts and | Behavioral | | Adolescent | http://www.grace.edu/academics/registrar/09- | pre-adolescent and adolescent period. This course stresses practical applications for working with the |
| | Grace College | Sciences | Sciences | PSY234 | Development | 10 catalog.php | adolescent in family, educational, and counseling settings. Three hours. |
| 1 | - 0 - | | | | r · · · | | A study of the basic principles and theories of human development with special emphasis given to the |
| | | | | | | | determinants of the human life span from the beginning of life through infancy, childhood, adolescence |
| Knowledge of Child | | | | | | | and adulthood to death and dying. Emphasis is placed on the transitional life processes as they occur at |
| and Youth | | School of Arts and | Behavioral | | Life Span | http://www.grace.edu/academics/registrar/09- | each stage, and attention is given to physical, intellectual, social and personality development in each |
| Development | Grace College | Sciences | Sciences | PSY288 | Development | 10_catalog.php | stage of the life span. Prerequisite: PSY110. Three hours. |

| | | | 1 | 1 | | | An investigation of measurement theory and its practical application and limitations in the classroom. A |
|---------------------|---------------|--------------------|-------------|---------|------------------|--|--|
| Observation/Assess | | | | | Classroom | http://www.grace.edu/academics/registrar/09- | major emphasis is placed upon the construction and analysis of tests and other evaluation tools used by |
| ment Methods | Grace College | Teacher's College | Education | EDU333 | Assessment | 10 catalog.php | the classroom teacher. Prerequisite: EDU110, EDU235. Two hours. |
| Planning for | | | | | | | A study of the philosophy, genres, and implications of teaching literature at the Middle School level. The |
| Cognitive and | | | | | | | course stresses the transition from reading as a component in developmental, elementary language arts, to |
| Language Literacy | | School of Arts and | English and | | Adolescent | http://www.grace.edu/academics/registrar/09- | reading as an investment in lifelong, personal learning skills. Course participants both explore theoretical |
| Learning | Grace College | Sciences | Journalism | LIT365 | Literature | 10_catalog.php | principles of instruction and experience representative works of merit. Two hours. |
| Planning for Inter- | | | | | | | |
| personal and Intra- | | | | | | | A study of the social behavior of the individual and the group. Particular attention is given to the |
| personal | | School of Arts and | Behavioral | | Social | http://www.grace.edu/academics/registrar/09- | development and dynamics of social groups, social perception, motivation, attitudes and values. |
| Development | Grace College | Sciences | Sciences | BHS327 | Psychology | 10_catalog.php | Prerequisite: PSY230 or PSY234. Three hours. |
| Planning for Inter- | | | | | | | An examination of the process of communication and interpersonal relationships focusing on the role of |
| personal and Intra- | | | | | Interpersonal | | the self, people perception, the environment, and the interaction of interpersonal orientations. Personal |
| personal | | School of Arts and | Communicat | | Communicatio | http://www.grace.edu/academics/registrar/09- | skills in resolving conflict and stimulating friendships are examined through exposure to theory, practical |
| Development | Grace College | Sciences | ions | COM213 | ns | 10_catalog.php | exercises, and the analysis of experiences in current relationships. Three hours. |
| Planning for Inter- | | | | | 0.11.0 | | |
| personal and Intra- | | | | | Small Group | | An examination of the theory, processes, and applications of small group communication. Specific topics |
| personal | | School of Arts and | Communicat | | Communicati | http://www.grace.edu/academics/registrar/09- | of consideration include leadership, roles, norms, decision making, problem solving, group cohesiveness, |
| Development | Grace College | Sciences | ions | COM216 | on | 10_catalog.php | management of member participation and conflict management. Three hours. Students will be instructed in the principles of biblical Leadership as well as contrasting those principles |
| | | | | | | | with secular leadership. Areas of training for the leader will be vision, mission and purpose, leadership |
| | | | | | | | styles, communication, organization/ management, inspiration/motivation, ethics, |
| | | | | | Leadership | | performance/evaluation, and spiritual/ servant leadership. As well, students will spend time observing |
| Professional | | School of Arts and | Behavioral | | - | http://www.grace.edu/academics/registrar/09- | leadership in action and will "do" leadership through service on the campus and in the community. Three |
| Development | Grace College | Sciences | Sciences | BHS252 | Development | 10 catalog.php | hours. |
| Development | Glace College | Sciences | Sciences | BI15252 | Development | | Exposure to and experience with professional societies in education, community agencies and legal |
| Professional | | | | | Professionalis | http://www.grace.edu/academics/registrar/09- | |
| Development | Grace College | Teacher's College | Education | EDU332 | m in Teaching | 10_catalog.php | EDU110. Two hours. |
| Development | Grace Conlege | Teacher's Conege | Luucation | LD0352 | III III Teaching | | This course explores the leader's relationship to self and the unique demands of authenticity and |
| | | | | | | | character in leadership. The course will present servant leadership within a study of historical and |
| Professional | | | | | Personal | | theoretical models of leadership. We will take an in-depth look at prominent biblical leaders, along with |
| Development, Self | | School of Arts and | Behavioral | | Leadership | http://www.grace.edu/academics/registrar/09- | their character and attributes which made them successful leaders. Students will learn how to build |
| Development | Grace College | Sciences | Sciences | BHS325 | Formation | 10 catalog.php | community among the people they lead. Three hours. |
| | | | | | | | This course is intended to provide students with an understanding of the elements of culture and how |
| | | | | | | | they affect working with and relating to people in the multicultural context of the United States. It is |
| | | | | | | | designed to help them be effective in those contexts with decreased anxiety as they understand the |
| | | | | | | | complexity of culture and its influence on people. Students will be able to reject stereotypes and |
| | | | | | American | | understand problematic cross-cultural encounters from the viewpoint of those from the other cultural |
| Respect for Diverse | | School of Arts and | Behavioral | | Multicultural | http://www.grace.edu/academics/registrar/09- | background. They will have a greater ability to tolerate ambiguity while seeking to understand these |
| Cultures | Grace College | Sciences | Sciences | BHS251 | Experience | 10_catalog.php | observed differences and then to engage in culturally sensitive behaviors. Three hours. |
| | | | | | | | The student will learn how to assess relevant issues related to specific cultures and how to target the |
| | | | | | | | needs of youth within various socio-economic groups. This class will develop strategies for meeting the |
| | | | | | | | needs of youth in a cross-cultural context and how to church plant using youth as a target group. The |
| | | | | | Cross Cultural | | students will be taught how to train youth leadership to accomplish church planting and development. |
| Respect for Diverse | | School of Arts and | Behavioral | | Youth | http://www.grace.edu/academics/registrar/09- | The class will be held in a cross-cultural setting offering hands-on training. (Home department-YMI. |
| Cultures | Grace College | Sciences | Sciences | BHS314 | Ministry | 10_catalog.php | Register as YMI314.) Prerequisite: YMI214. Three hours. |

| | | | 1 | | | | A study of the principles and processes of communicating effectively with people from a second cultural |
|-----------------------------------|------------------|--------------------|--------------|----------|----------------|--|--|
| | | | | | | | context. The course focuses on functional perception and how cultural worldview, beliefs, and values |
| | | | | | | | upon the personal perception of each individual. The shaping of the message, style of communication, |
| | | | | | Intercultural | | and communication networks for each cultural context are explored with a view to penetrating each |
| Respect for Diverse | | School of Arts and | Communicat | | | http://www.grace.edu/academics/registrar/09- | culture as deeply as possible with the Gospel. The dangers of ethnocentrism and some current methods of |
| | Grace College | Sciences | ions | COM203 | ns | 10 catalog.php | contextualization are discussed. (Home Department–REL. Register as ICS311.) Three hours. |
| Cultures | Glace College | Sciences | 10115 | COM203 | 115 | | This course develops understanding and skill for working with children and parents who come from |
| | | | | | | | diverse backgrounds. Areas of diversity include race, ethnicity, native language, culture, class, gender, |
| Respect for Diverse | | | | | Diversity in | http://www.grace.edu/academics/registrar/09- | age, religion, and ability. The focus is on increasing knowledge and respect for the diverse child in the |
| | Crease Callaga | Taasharla Callaga | Education | EDU254 | | 10_catalog.php | |
| Cultures | Grace College | Teacher's College | Education | EDU234 | the Classroom | | classroom setting. Two hours. |
| | | | | | | | cultural value systems, intercultural communication, contextualization, and cultural adaptation, and how |
| | | | | | | | these issues affect biblical ministry in intercultural and multicultural contexts. Future pastors, youth |
| | | | | | | | ministers, Christian counselors, and other Christian ministry personnel will become more effective in |
| | | | | | | | various intercultural situations by shaping their ministry to penetrate other cultures more deeply. |
| | | | | | | | |
| | | | | | | | Knowing how culture functions, the extent to which it shapes people, and how we are affected by our |
| | | | 5.4.4. 1 | | | | own culture keeps us from reading our cultural values into other contexts and into our interpretation of |
| Respect for Diverse | | | Biblical | | Intercultural | | |
| Cultures | Grace College | School of Ministry | Studies | ICS365 | Ministry | 10_catalog.php | count toward the requirements of an undergraduate intercultural mission minor. Three hours. |
| | | | | | | | A study of the family as a basic social institution with its cultural variations. Emphasis is upon premarital |
| | | School of Arts and | Behavioral | | Marriage and | http://www.grace.edu/academics/registrar/09- | and marital factors that contribute to a successful marriage or family disorganization. Christian ideals for |
| Works with Families | Grace College | Sciences | Sciences | SOC210 | Family | 10_catalog.php | wholesome courtship and family living are stressed. Three hours. |
| | | | | | | | This course is designed to give the student an introduction to middle school theory and practice. Specific |
| | | | | | | | characteristics of the middle school are studied with application where appropriate. Topics include |
| | | | | | | | middle school philosophy, the role of the students, teachers, and parents, the curriculum, middle school |
| | | | | | The Middle | http://www.grace.edu/academics/registrar/09- | organization, and the structure for activities. Much of the course is dedicated to describing academic |
| Works with Families | Grace College | Teacher's College | Education | EDU362 | School | 10_catalog.php | effectiveness and developmentally appropriate strategies. Prerequisites: EDU110, EDU235. Three hours. |
| Assures a Safe and | | | | | | | The study of the nutrients in foods and of the body's handling of them, including: ingestion, digestion, |
| Healthy | | School of Natural | Exercise | | | http://www.hanover.edu/academics/programs | absorption, transport, metabolism, interaction, storage, and excretion. Emphasis will be placed on the |
| Environment | Hanover College | Sciences | Science | EXS225 | Nutrition | / | effect nutrition plays on health and weight management. |
| | <u></u> | | | | | | Focuses on topics and texts of ethics and raises questions everyone struggles with throughout life. What |
| | | | | | | | is the good life? What does it mean to be a good person? How do we know what the good is? What is the |
| Ethical and | | | | | | | nature of the good? In combination with ThS 165, satisfies the Examined Life LADR. Not open to |

| Knowledge of Child | | | | | | |
| and Youth | | | | Child | http://www.manchester.edu/catalog/majormi | A study of the physiological, intellectual, sociological and psychological factors influencing the child |
| Development | Manchester College | Education | 223 | Development | <u>nor.htm</u> | from the time of conception to puberty. Field experience is required. Prerequisite: ENG 111. Spring. |
| Knowledge of Child | | | | Junior | | A study of the growth and development of students in grades 5-9 and the characteristics of a junior |
| and Youth | | | | High/Middle | http://www.manchester.edu/catalog/majormi | high/middle school program that meets their needs. Must be taken the fall semester immediately prior to |
| Development | Manchester College | Education | 348 | School | nor.htm | student teaching. Field experience is required. Prerequisite: EDUC 230. Fall |
| | | | | | | A study of the progressive change in movement behavior throughout life from infancy through older |
| Knowledge of Child | | Exercise and | | | | adulthood. Emphasis is placed upon developing the ability to identify the stages in a variety of motor |
| and Youth | | Sport | | Motor | http://www.manchester.edu/catalog/majormi | skills. Attention will also be given to the study of physical growth patterns and biological maturity and |
| Development | Manchester College | Sciences | 145 | Development | nor.htm | the relationship of each to motor performance. Fall |
| | | | | | | This course focuses on the study and application of theory, practice, and research in child and adolescent |
| V 1.1 COL11 | | | | CI 11 I | | psychology. Emphasis is placed on the interaction of physical, cognitive, and social aspects of |
| Knowledge of Child | | | | Child and | | development from conception through adolescence. In addition to three hours of lecture meetings per |
| and Youth | | | | Adolescent | http://www.manchester.edu/catalog/majormi | week, all students will participate in a field experience that provides hands-on exposure to course |
| Development | Manchester College | Psychology | 220 | Psychology | <u>nor.htm</u> | content. Prerequisite: PSYC 110. Spring. |
| 01 | | | | General | | |
| Observation and | | | | Methods for | | The study of curriculum, methods and materials, computer applications and teacher assessment of |
| Assessment | | | 410 | Adolescent | http://www.manchester.edu/catalog/majormi | student learning for grades 5-12. Must be taken in January prior to student teaching. Prerequisites: EDUC |
| Methods | Manchester College | Education | 412 | Learners | <u>nor.htm</u> | 230, 352, 360. |
| Dlouning for | | | | Elementary | http://www.wowahastow-i-l-/t-i | A course to develop skills in handling various media for use in the elementary and junior high/middle |
| Planning for | Manahartan Callesa | | 205 | Art Education | http://www.manchester.edu/catalog/majormi | schools. It combines a study of the art curriculum at these levels with a study of the general elementary |
| Creative Learning | Manchester College | Art | 205 | Techniques | <u>nor.htm</u> | curriculum and how the two are interrelated. Lab fee required. A companion course to ART 205 with emphasis placed on the construction and application of various |
| | | | | | | craft media to the elementary and junior high/middle schools. There is further study of the art curriculum |
| Dianning for | | | | Elans antony | http://www.wowahastanadu/astalas/wosis.wwi | |
| Planning for | Manahastan Caller | A | 216 | Elementary | http://www.manchester.edu/catalog/majormi | and its relationship to the total curriculum of the elementary and junior high/middle schools. Lab fee |
| Creative Learning | Manchester College | Art | 216 | Arts & Crafts | <u>nor.htm</u> | required |

| Planning for | | | | | | |
|---------------------|--------------------|--------------|-----|----------------|---|---|
| Interpersonal and | | | | Interpersonal | | A study of the factors involved in sending and receiving messages in interpersonal relationships. The |
| Intrapersonal | | Communicat | | Communicatio | http://www.manchester.edu/catalog/majormi | student is encouraged to develop increased awareness of the effect one's communicating has on others |
| Development | Manchester College | ions | 210 | | nor.htm | and on the self. Both theoretical and applied aspects are stressed in the course. |
| Planning for | <u> </u> | | | | | An introduction to small group communication theory and practice. Lectures and assignments will |
| Interpersonal and | | | | Small Group | | provide the opportunity to examine the impact of the following on communication in a small group |
| Intrapersonal | | Communicat | | Communicati | http://www.manchester.edu/catalog/majormi | setting: group roles, leadership, group interaction patterns and group formation and development. C- |
| Development | Manchester College | ions | 212 | on | nor.htm | 3RC. |
| Planning for | | | | | | |
| Interpersonal and | | | | | | |
| Intrapersonal | | | | | | |
| Development, | | Peace | | Conflict | http://www.manchester.edu/catalog/majormi | An advanced study of how to deal constructively with interpersonal, intra-organizational, and intergroup |
| Guidance Skills | Manchester College | Studies | 320 | Resolution | nor.htm | conflict. |
| | | Exercise and | | Teaching | | Students will develop personal skills, learn basic rules, and focus on teaching progressions, analyzing |
| Planning for | | Sport | | Team | http://www.manchester.edu/catalog/majormi | skills, and selecting appropriate skill tests for specific team activities. Concurrent enrollment in ESS 250. |
| Physical Learning | Manchester College | Sciences | 205 | Activities | <u>nor.htm</u> | Fall. |
| | | Exercise and | | Teaching | | Students will develop personal skills, learn basic rules, and focus on teaching progressions, analyzing |
| Planning for | | Sport | | Individual and | http://www.manchester.edu/catalog/majormi | skills, and selecting appropriate skill tests for specific individual and dual sports, and noncompetitive |
| Physical Learning | Manchester College | Sciences | 206 | Dual Sports | <u>nor.htm</u> | lifetime activities. Concurrent enrollment in ESS 260. Prerequisite: ESS 205 and 250. Spring. |
| | | | | | | Methods for teaching fundamental motor skills and developmentally appropriate physical education |
| | | | | | | activities based on the needs, interest and characteristics of the elementary school child are stressed |
| | | Exercise and | | Teaching | | within an interdisciplinary context. Concurrent enrollment with ESS 350 (waived for elementary |
| Planning for | | Sport | | Fundamental | http://www.manchester.edu/catalog/majormi | education majors). Prerequisite: ESS 206, 260, and successful completion of Praxis I (elementary |
| Physical Learning | Manchester College | Sciences | 301 | Movement | nor.htm | education majors exempted from all prerequisites). Fall. |
| Planning for | | | | Teaching | | |
| Physical Learning, | | | | Methods of | | An examination of K-12 health and physical education curricula, effective teaching methods, classroom |
| Assures a Safe and | | Exercise and | | Health and | | materials and assessment of student learning. Students will participate in 20 hours of observation and |
| Healthy | | Sport | | Physical | http://www.manchester.edu/catalog/majormi | teaching experience in a public school classroom. Must be taken the semester prior to student teaching. |
| Environment | Manchester College | Sciences | 440 | Education | <u>nor.htm</u> | Prerequisite: formal approval to student teach. Fall. |
| | | | | The Teacher | | An examination of critical issues facing teachers in today's schools. Topics are variable but will include |
| Professional | | | | in Today's | http://www.manchester.edu/catalog/majormi | classroom management, legal rights and responsibilities of teachers, and career service assistance. Taken |
| Development | Manchester College | Education | 410 | School | <u>nor.htm</u> | concurrently with student teaching. Spring. |
| | | | | | | An examination of how communication is influenced by culture and how culture is created and |
| | | | | Intercultural | | maintained through communication. Students will explore the complex relationship between culture and |
| Respect for Diverse | | Communicat | | Communicatio | | communication and how these and two issues interact with context and power in intercultural |
| Cultures | Manchester College | ions | 256 | n | <u>nor.htm</u> | interactions. Fall. |
| | | | | | | The scientific study of how people think about, influence, and relate to one another within and across |
| | | | | | | cultures. Topics include the interaction of culture and gender, conflict and peacemaking, social beliefs |
| | | | | a | | and judgments, conformity, persuasion, prejudice, aggression, and attraction as they vary. All students |
| Respect for Diverse | | | | Social | http://www.manchester.edu/catalog/majormi | will participate in applied research or other practical experience. When offered on campus, concurrent |
| Cultures | Manchester College | Psychology | 301 | Psychology | nor.htm | enrollment in PSYC 301L is required. Spring. C-3RC. |
| | | | | Racial, Ethnic | | |
| D (CD) | | Sociology | | and Gender | | A sociological approach to the dynamics of racial, ethnic and gender group relations using relevant |
| Respect for Diverse | | and Social | | Group | http://www.manchester.edu/catalog/majormi | theories, concepts and empirical studies. Patterns of differential power and intergroup conflict in U.S. |
| Cultures | Manchester College | Work | 228 | Relations | nor.htm | society will be examined using examples from several groups. |

| | | | 1 | | 1 | | Primary emphasis on development and maintenance of intimate relationships in the United States; |
|---------------------|---------------------|------------------------|-------------|---------|----------------|---|---|
| | | | Sociology | | | | theoretical and empirical materials on family life cycle, dating, sexual behavior, readiness for marriage, |
| | | | and Social | | Sociology of | http://www.manchester.edu/catalog/majormi | sexual behavior, social change and emerging family styles. Prerequisite: SOC 101 or permission of |
| Works with families | Manchester College | | Work | 335 | the Family | nor.htm | instructor. Fall. odd vears. |
| | <u> </u> | | Sociology | | j | | Classical and modern theories of class structure and mobility used to analyze the forms and conditions of |
| | | | and Social | | Class, Status | http://www.manchester.edu/catalog/majormi | social inequality, primarily in U.S. society. Relationships of class position to behavior in family, religion, |
| Works with families | Manchester College | | Work | 345 | and Power | nor.htm | politics and education are included. Prerequisite: SOC 101 or permission of instructor. Spring. |
| | | | | | | | The study of how societies come to define certain attributes and behaviors as deviations from social |
| Works with | | | Sociology | | | | norms and how societies attempt to suppress or regulate them. Topics include alcohol and drug use, |
| families, Guidance | | | and Social | | Deviance and | http://www.manchester.edu/catalog/majormi | crime and elite deviance, sexual assault and family violence, mental disorder, homosexuality and |
| Skills | Manchester College | | Work | 223 | Social Control | nor.htm | prostitution. Prerequisite: SOC 101. Fall, even years. |
| | | | | | | | Examination of human development over the life span as the individual participates in families, groups, |
| | | | | | | | organizations, and communities. Empirically-supported theories and knowledge are used to understand |
| Works with | | | | | | | reciprocal relationships among human biological, psychological, spiritual, social, and cultural systems. |
| families, Planning | | | | | Human | | Appreciation of diversity is fostered, including understanding the consequences of oppression for "at- |
| for Interpersonal | | | Sociology | | Behavior in | | risk" populations. Students apply an interdisciplinary knowledge base to the generalist social work |
| and Intrapersonal | | | and Social | | the Social | http://www.manchester.edu/catalog/majormi | assessment process. Prerequisites: BIOL 102 or 204; ECON 221, 222, 320, or 328; POSC 121, 122, 140, |
| Development | Manchester College | | Work | 334 | Environment | nor.htm http://www.marian.edu/Registrar/Documents | or 233; PSYC 110; SOC 101; or permission of instructor. This course is designed to prepare the health educator in teaching for school health throughout the school |
| Assures a Safe and | | | Education- | | | /2009- | curriculum. Emphasis will be on the content, activities, and resources to help the classroom teacher |
| | | Sahaal af | | | Cahaal Haalth | | |

| Individual | | | | 1 | | | |
|-------------------------------|-------------------|-------------------|-------------|--------|-----------------|---|---|
| Differences, | | | | | Assessment of | http://www.marian.edu/Registrar/Documents | Prerequisite: 130. This course examines the causes and types of learning problems found in children with |
| Observation and | | | | | Children with | /2009- | exceptional needs. Students learn how the teacher can assess children with learning problems. Formal |
| Assessment | | School of | | | Exceptional | 11%20Marian%20University%20Course%2 | psychological evaluation tools are examined, and the value of the information to the classroom teacher is |
| Methods | Marian University | Education | Education | EDU233 | | 0Catalog.pdf | discussed. (FAL) |
| | | | | | Observation | http://www.marian.edu/Registrar/Documents | |
| Knowledge of | | | | | and | /2009- | This course focuses on the variety of ways of observing, recording, and analyzing children's |
| Child/Youth | | School of | | | Description of | 11%20Marian%20University%20Course%2 | development and behavior. Naturalistic observation is the primary area of study. The course requires |
| Development | Marian University | Education | Education | EDU174 | the Child | 0Catalog.pdf | students to work in a classroom one morning a week. (SEM) |
| - | | | | | | http://www.marian.edu/Registrar/Documents | Prerequisite: Permission of appropriate program director. This course examines children's physical, |
| Knowledge of | | | | | | /2009- | cognitive, language and literacy, social, emotional, and moral development. Children's self-concept, |
| Child/Youth | | School of | | | Child | 11%20Marian%20University%20Course%2 | identity and motivation, and exceptionality are also addressed. Working with parents and issues of |
| Development | Marian University | Education | Education | EDU510 | Development | 0Catalog.pdf | diversity are also woven into the course. |
| | | | | | | http://www.marian.edu/Registrar/Documents | Major theories, developmental stages, and current research in the area of human development are |
| Knowledge of | | | History and | | Human | /2009- | studied. Emphasis is placed on the genetic and environmental factors that influence the physical, |
| Child/Youth | | School of Liberal | Social | | Growth and | 11%20Marian%20University%20Course%2 | cognitive, and social development of individuals throughout the lifespan. This course partially satisfies |
| Development | Marian University | Arts | Sciences | PSY220 | Development | 0Catalog.pdf | the general education requirement in the individual and social understanding category. (SEM) |
| | | | | | | | Prerequisite: 101. This course is a study of developmental issues and experiences of adolescence viewed |
| | | | | | | | from major theoretical perspectives. Adolescent development is studied as a dynamic interaction of |
| Knowledge of | | | History and | | | /2009- | physical, cognitive, and social/contextual factors. Topics include puberty, cognition, identity, sexuality, |
| Child/Youth | | School of Liberal | Social | | Psychology of | 5 | family and peers, values and beliefs, and problems of youth. Analytical homework assignments and an |
| Development | Marian University | Arts | Sciences | Psy365 | Adolescence | 0Catalog.pdf | integrative project are required. (SPR) |
| | | | | | | | Co requisites: 163, 263. This course provides students opportunity to deepen their understanding of the |
| Knowledge of | | | | | | | culture of middle schools by investigating how teachers support the cognitive, social, physical, and moral |
| Child/Youth | | | | | Middle School | /2009- | development of early adolescents through collaboration with school administration, support staff, |
| Development, | | School of | | | Support | 11%20Marian%20University%20Course%2 | parents, and community agencies. Learning about the responsibilities of middle school teachers occurs |
| Works with Families | Marian University | Education | Education | EDU168 | Seminar | 0Catalog.pdf | through readings, lecture, discussion, and interviews with school personnel. (SPR) |
| 01 / 1 | | | | | Differentiation | | Prerequisite: Successful completion of Phase I. The course explores multiple ways of organizing |
| Observation and | | | | | Strategies for | /2009- | curriculum and assessing and instructing children. Styles of learning, multiple intelligences, |
| Assessment | . | School of | F1 | EDUA15 | Teaching and | 11%20Marian%20University%20Course%2 | differentiated instruction, formal and informal assessment strategies, and use of state standards as part of |
| | Marian University | Education | Education | EDU315 | Learning | 0Catalog.pdf http://www.marian.edu/Registrar/Documents | the planning model are components of this course. (FAL) Prerequisites: 130 or 230, PSY 220, and successful completion of Phase I. This course integrates reading |
| Planning for Cognitive and | | | | | Elementary | /2009- | and oral and written communication theory and teaching strategies in grades K-6. The course includes |
| 0 | | School of | | | Reading and | 11%20Marian%20University%20Course%2 | study of skills and strategies, methods of teaching, materials and resources, and evaluating and |
| Language Literacy | Marian University | Education | Education | EDU346 | - | | organizing to meet students' individual needs. A practicum is required for this course. (FAL) |
| Learning | Marian University | Education | Education | EDU340 | Language Arts | 0Catalog.pdf | Prerequisites: 346 and successful completion of Phase I. Co requisite: 325. This course integrates |
| Planning for | | | | | Elementary | http://www.marian.edu/Registrar/Documents | elements of reading and the study of children's literature. The course includes diagnosis and techniques |
| Cognitive and | | | | | Reading and | /2009- | for assisting children with reading problems, use of diagnostic instruments, and remedial instruction. It |
| Language Literacy | | School of | | | Children's | 11%20Marian%20University%20Course%2 | also includes a focus on genres of children's literature, selecting and evaluating and using children's |
| | Marian University | Education | Education | EDU347 | Literature | 0Catalog.pdf | literary materials in and out of the classroom. A practicum is required for this course. (SPR) |
| Learning | wanan University | Education | | ED0347 | Literature | http://www.marian.edu/Registrar/Documents | incrary materials in and out of the classioon. A practicum is required for this course. (SFK) |
| | | | | | | /2009- | |
| | | | 1 | 1 | | | |
| Planning for | | School of Liberal | | | | 11%20Marian%20University%20Course%2 | Prerequisite: PSY 230. A survey of art therapy techniques, history, and case studies. One hour lecture, six |

| | | | 1 | 1 | | | Prerequisites: Junior or senior art major concentrating in art therapy, 5.00 in both art and psychology |
|-----------------------------------|-------------------|-------------------|-------------|---------|----------------|---|--|
| | | | | | | | courses, a 3.00 overall GPA, ART 371, completed resume, and department permission, interview and |
| | | | | | | | approval of site. This course is an approved, not-for-pay internship or work experience for Marian |
| | | | | | | | College students majoring in art therapy. Students must have completed 80 credits towards degree with at |
| | | | | | | http://www.marian.edu/Registrar/Documents | least 30 credits taken at Marian College. Field experience is contracted between the student and the |
| | | | | | | /2009- | cooperating establishment with the approval of the department liaison. The contract includes goals, |
| Planning for | | School of Liberal | | | Art Therapy | 11%20Marian%20University%20Course%2 | procedures, credit assignment, supervision and evaluation criteria. Credits earned in the internship are not |
| Creative Learning | Marian University | Arts | Visual Arts | Art465 | Internship | 0Catalog.pdf | included in the 40-credit limit in the student's major. Graded S/U. (SEM) |
| | | | | | 1 | | This course considers the expressive arts—visual arts, drama, dance and movement, music, technology, |
| | | | | | | | media, physical education, and health and nutrition-in relation to the Indiana Academic Standards, the |
| | | | | | | | NSAE Standards and the content areas of language arts, math, science, and social studies. |
| | | | | | | http://www.marian.edu/Registrar/Documents | Developmentally appropriate practices in arts methods and materials are presented and discussed with an |
| | | | | | | /2009- | emphasis on process rather than product. Assignments may include writing and presenting integrated |
| Planning for | | School of | | | Expressive | 11%20Marian%20University%20Course%2 | activity plans that are developmentally appropriate, designing an arts and content-related bulletin board, |
| Creative Learning | Marian University | Education | Education | EDU221 | Arts | 0Catalog.pdf | observing and interviewing a "specials" teacher and attending an arts-related event. (SEM) |

| r | | | 1 | 1 | | Development impres possionity. The purpose of this course is to examine an of the possionities of |
|-------------------|----------------|----------------|------------|---------|-----------------------------|--|
| | | | | | | development, beginning with conception and ending with adolescence. A person develops within a |
| | | | | | | family, culture, and time period, so we will examine the process of development as it occurs within |
| | | | | | | particular contexts. Although we will focus primarily on children ages 0-12, we will consider processes |
| | | | | | | of development from within a life-span perspective. You will have opportunities to consider your own |
| | | | | | | and others' hypotheses about development and to review research supporting or contradicting these |
| | | | | | | hypotheses. Finally, because the best way to learn about development is to spend time with children, you |
| Knowledge of | | Psychology and | | | | will also have the chance to observe and interact with children at the Early Childhood Development |
| Child/Youth | | Communicative | | | Developmenta | Center. Requirements: 4 exams and 7 structured observation exercises and a final in-class presentation. |
| Development | St. Mary's | Disorders | Psychology | Psyc301 | 1 Psychology | Prerequisite: Psyc 156. 4 credits. |
| F | | | | | | The mespan developmental psychology course focuses on the basic sequences and processes of numan |
| | | | | | | development from the prenatal period through death. We will study the major developmental theories |
| | | | | | | used to explain and to describe developmental changes and explore the unique nature of the lifespan |
| | | | | | | approach to studying developmental and explore the multidimensional and multi contextual nature of |
| | | | | | | growth and change. We will emphasize the unique nature of the lifespan approach to studying |
| | | | | | | development and examine continuities and discontinuities, the interaction of nature and nurture, and age |
| Knowledge of | | Psychology and | | | | related non-normative influences on development. Students with interests in psychology, physical and |
| Child/Youth | | Communicative | | | Lifespan | occupational therapy, speech and communication disorders, nursing, and gerontology will have the |
| Development | St. Mary's | Disorders | Psychology | Psyc305 | Development | opportunity to apply lifespan principles directly to examples within their chosen fields of interest. |
| | | | | | | examining biological, cognitive, emotional, and social transitions associated with adolescent behavior |
| | | | | | | and development. Throughout the course, students will be introduced to the science of adolescent |
| | | | | | | psychology including research design, methods, analytical strategies, and common problems associated |
| | | | | | | in conducting research with adolescents. Students will learn about the grand and emergent theories of |
| | | | | | | adolescent development. Adolescent development, behavior, and adjustment will be considered across |
| | | | | | | age, gender, context, and culture. And, the importance of adolescent development will be communicated |
| Knowledge of | | Psychology and | | | | through the study of adolescent psychosocial problems, risk and protective factors for adjustment, and |
| Child/Youth | | Communicative | | | Adolescent | the association between adolescent research and public policy. Evaluation will be based on exams, |
| Development | St. Mary's | Disorders | Psychology | Psyc403 | Psychology | presentations, writing assignments, and discussion. Prerequisite: Psyc 156. 3 credits. |
| | | | | | Educational | |
| | | | | | Psychology:H uman Growth | This course will focus on the special issues facing the junior high/middle and secondary school-age |
| | | | | | and | youngster. Motivation, classroom management techniques and test design are included within the |
| Knowledge of | | | | | Development | framework of three approaches to adolescent psychology; behaviorism, cognitivism, and humanism. |
| Child/Youth | | | | | of the | Discussion of several leading theories of moral development, cultural differences, and multicultural |

| Works with Families | Indianapolis | Education | Education | EDUC378 | Collaboration | df/course_descriptions.pdf | license in mild interventions. As we know, a lot of people hold very divergent views about not just about what is of is not morany |
| | | | | | | | right, but about morality itself. Why do people hold the ethical beliefs that they do? Are moral rules and |
| | | | | | | | ethical ideals objective facts, personal opinions, expressions of human nature, ways of getting to heaven, |
| | | | | | | | ways of keeping society in order, ways of suppressing people we don't like? The increase of encounters |
| | | | | | | | with people of different cultures and ideologies, the spread of information, and the rise of technology |
| | | | | | | | make these questions all the more urgent for us today. In this course, we will pay special attention to the |
| | | | | | | | historical sources of various views about ethics and morality, and in light of them consider our modern |
| Ethical and | | | | | | | culture and the kinds of claims and dilemmas that we encounter today. Specific topics will depend upon |
| Responsible | University of Notre | College of Arts and | | | | http://www.nd.edu/academics/departments- | class interest, but may include subjects such as abortion, social media, the environment and food, and |
| Employee | Dame | | Philosophy | PHIL20401 | Ethics | colleges-schools/ | other such issues. |
| Employee | Dame | Letters | riniosophy | F111L20401 | Etilles | coneges-schools/ | Issues concerning the nature of human diversity (race, intelligence, sex, gender, etc.) are a continuing |
| | | | | | | | source of social and scientific debate. This course is designed to present the issues and methods used by |
| | | | | | | | physical anthropologists to study both the biological basis of human differences, as well as the ongoing |
| Respect for Diverse | University of Notre | College of Arts and | Anthropolog | | Human | http://www.nd.edu/academics/departments- | process of human adaptation and evolution in response to climate, nutrition, and disease. Integration of |
| Cultures | Dame | Letters | w | ANTH40810 | Diversity | colleges-schools/ | the social, biological, and medical sciences will be employed to investigate modern human variation. |
| Cultures | Danie | Letters | у | AN11140810 | Diversity | | This class explores how cultural categories, symbols and rituals are influenced by social groups. Topics |
| | | | | | | | to be covered include culture in everyday life, identity and social status, symbolic power, the mass |
| | | | | | | | media, and the arts. Our goal will be to develop and practice skills in identifying and explaining cultural |
| Respect for Diverse | University of Notre | College of Arts and | | | Cultural | http://www.nd.edu/academics/departments- | differences. Class requirements include extensive readings, consistent discussion, and weekly writing. |
| Cultures | Dame | Letters | Sociology | SOC13181 | Societies | colleges-schools/ | (First Year Studies Only) |
| Cultures | Dunie | Lotters | boelology | 50015101 | Societies | | The family is typicany mought of as the primary and most rundamental of social institutions. It is within |
| | | | | | | | this institution that early socialization and care-giving usually take place, and therefore, many of our |
| | | | | | | | ideas about the world are closely tied to our families. This course will give students the opportunity to |
| | | | | | | | learn about the diverse forms the family has taken over time and across different groups. This knowledge |
| | | | | | | | will be useful in examining the ongoing debate about the place of the family in social life. By taking a |
| | | | | | | | sociological approach to learning about the family, and by gaining knowledge about national family |
| | | | | | | | trends and patterns in the U.S., students will be better able to see how family life is linked to larger social |
| | | | | | | | factors like race, class, and gender, as well as the economy, historical events, and cultural change. This |
| | University of Notre | College of Arts and | | | Marriage and | http://www.nd.edu/academics/departments- | will also help in viewing the family, which can be very personal, in more objectives terms. (Sophomore |
| Works with Families | Dame | Letters | Sociology | SOC20342 | the Family | colleges-schools/ | and Juniors Only) |
